“ To Halley and Patricia
I offer my sincerest condolences. I worked at Upjohn/Dow with your dad for many years. He was a wonderful man as was your mom. I can remember many year ago playing our card games at your house and us guys leaving our change all over the dining room and watching the two of you scramble to see who got the most. I'm so sorry for your loss. May he rest in eternal peace. He was such a nice man and a joy to work with. A nice Sense of humor too. Always fun to be around.
