“ Dearest Bob, I have been wanting to connect with you but didn't have a current address. Of course, I read about your losing Bonnie. I was shocked and sorrowed by the news and want you to know that over the years, I have thought of you both and wondered about you. I know it will be very hard for you to accept and move through your loss. Please know Bill and I pray for you and your family. We know where Bonnie is and that she is safe and healthy there. We wish you many blessings and hope to see you some time in the future. Bill and Linda Consiglio

“ Dear Bob, Dennis and Karrie,
It is with great sadness that I write this note of sympathy. The Earley family will always hold Bonnie close in our hearts. Bonnie was our children's Day Care "Mom" for so many years. Both our children, Brian and Jenna still to this day speak of pleasant memories they had at Bonnie's house growing up. We kept Bonnie in our lives throughout our children's college years. Bonnie celebrated their college graduations with us. We hope the good Lord will keep our Bonnie in his blessed hands. She was such a special women.

With deepest sympathy,
Bill, Claudia, Brian and Jenna Earley
