“ Dear Simpsons,

I was very sad to hear about the passing of you mom. But as I thought about it, I started to feel even more sorry for us who remain and remember that Montowese neighborhood of long ago. Her passing really marks the end of an era.

I will always cherish growing up in Montowese with the Simpsons across the street. Even though I drove your family crazy, your mother always was kind and looked out for me. I can still hear her patient guidance with words like, "Michael, get out of that tree...Michael, quit scaring that dog... Michael..." And when I finally did settle down, she always had me go and sit with her father in the front yard and talk. They were some of the best conversations of my life.

Noreen, Bill, and Tom, I know you are sad, but remember all the good times in that neighborhood that she helped create, and smile.

“ Noreen and Bob, Thoughts and prayers to you and your family during this difficult time. Your parents were both special to Jerry and I for the short seventeen years that we knew them. She and your dad will forever be in your hearts. Cherish the wonderful memories!

“ Dear Noreen, Billy and Tommy,
I am sad to hear of your mother's passing. "Dot Simpson", always using her last name as if there could be any mistake about who we meant, was full of life and laughs, and I will forever think of her as the last great neighbor to all those who called Montowese Avenue their home. I hope you you can find some peace in the long, wonderful life she lived. I will be thinking of you all on August 21st as you celebrate her life.

With sympathy and love,
Ellie

“ Dear Noreen, Tommy and Billy,

I was so sorry to hear the news that your mother passed away. The Simpsons will always come to mind when I think of my childhood and life on Montowese Ave. Your mother and father were part of the hub where everything happened for us as kids... birthday parties, go carts, tents in the backyard, and rainy days playing in the basement. I will always remember our mothers' friendship. They never ran out of things to talk about; they were part of that bond the mothers in our world shared. I hope you find comfort in the long full life she lived. None of our parents had it easy but they made the most of the circumstances they were dealt with grace and humor. My deepest sympathy to you and your families.

Love.
