“ Jane was a great gardener and president of Spring Glen Garden Club. Her photography of flowers was a joy to all the members. A quiet woman with a smile and a joy to know. I will miss her gentleness. Sis Schlesinger

“ Unfortunately I came into Jane's life as a caregiver toward the end of her life. Jane was a very sweet, soft spoken woman and loved her flowers all around her home. She also loved her cat "Baby" very much. I never did get to hear any of her lifetime stories but can imagine all she accomplished her lifetime. She had a very fulfilling life doing what she loved best.
My sincerest sympathy to all her friends and caregivers, especially Rita Sheehan who made her life so comfortable in every way.

Sincerely, Annette Lucarelli

“ Jane was a natural teacher. In 1985 when I joined the New Haven Camera Club, Jane along with Sandy Sanderson, Joe DiChello, Everett Wilson, and many others too numerous to mention, willingly spent their time and shared their talents with a new member. Who knew at that time, how many of these wonderful people would become life long friends. Jane welcomed many of us to her home, shared her talents, but most of all shared herself. She will be sadly missed by all who had the privilege of knowing her. Kathryn Katz

“ Jane Sibley was a wonderful woman, who had a very full life. She loved photography and I loved hearing all her stories about her trips and the looking at the photos she took. I also enjoyed all her stories about her childhood. I am very grateful to have known her, I loved her and will always remember her fondly.
