“ So sorry to hear about Mike's passing. I worked for the State of Connecticut in the Dept. of Mental Retardation and I had a very difficult resident who would never let anyone touch his head or face. Of course, this made it impossible for anyone to cut his hair--except Mike. I would bring this person to Mike for his hair cuts and Mike would say "don't move now and I will give you a good hair cut--a "man's" hair cut. It worked every time. He always got a "man's haircut" and his mother was always so happy to see him looking well groomed. When I thanked Mike he would say--"ah, I got kids, too." I will never forget him--he was truly one of a kind! Rest easy, Mike.
