“ Although I never had the pleasure of meeting Mike, I knew of him through his nephew Peter. No matter the story Uncle Mickey was always off helping others, what a wonderful human being.  
My sincerest condolences.

“ I remember Mike growing up as one of the generous doers. When my Dad hurt his back adding the dormer on our house, he and Mickey Scoopo stepped up to rally the troops to help. With a cigar in his mouth and a boxer pup nearby, he was quick with a joke.  
Wishing you all peace and sending love to you Rita. Sue Paradis Gregory

“ Mike could light up the room just with his presence. Whenever I saw he was on my schedule for the day I knew it was going to be a good day. He reminds me of the Robert DeNiro character in the movie "The Intern". A throw back to when men were men. His word was his bond, he was always there to help the other guy, he gave it 110%, never complained, always saw the glass half full.

Occasionally, Mike would bring coffee and donuts to my office. Not just a cup of coffee and a few donuts, he would bring a bag of donuts and a rack of coffee. He would bring enough for me, my staff, my wife's office and anyone in the reception room. He thought of everyone.

Mike was a difference maker. He was a point of light. The type of person you hope your kids grow up to become. He will be missed.

“ Dear Aunt Rita, We are so deeply sorry for the loss of your lifelong mate and best friend. You have been such a perfect team and there are no words I can use, which I consider adequate enough - to sooth your pain. If there is ANYTHING that you need, we are here and available to you.

My Grandma Anita's brother "Uncle Mike" - who was forever full of good nature, humor, thoughtfulness, and a desire to help those he knew in whatever way possible - will be missed by all who were so blessed to know him. The world has lost one of the kindest, most generous men...of all time.

Uncle Mike - as Americans, we thank you for your selfless service and recognize you as one of the VERY GREATEST of "The Greatest Generation".

As your Great Niece and Nephew In Law...we thank you for the kindness that you've personally shown to, and shared with both of us - and we love you and will miss you always.

RIP - you will never be forgotten.

Love, Eileen and Lawrence Galla

“ Mike, you'll be missed more than you'll ever know! I was proud to call you "friend" and fortunate to have learned so much from you, specifically, how to live life. You gave unconditionally, without EVER expecting or accepting anything in return. You lit up every room you entered! Sunday's news was heartbreaking! The memories we have will forever be blessings. God bless you, "brother"

“ I have many memories of New Year's Day at Uncle Mike and Aunt Rita's house as a child. We would all go over there, avoid getting snapped at by your adorable Boston Terrier, Kelly, and you would give us kids t-shirts from liquor companies. We didn't know what Seagram's 7 or Amaretto were, but we liked wearing your shirts! Always so thoughtful, making sure we kids were entertained, sending holiday gifts, and just being a "great" uncle.

What a sad day this is.

“ Uncle Mike, where do I start? Words cannot express what we are going through right now. You will always be on my heart and I will make sure to carry out your many wishes for Rita, our CERT Family and our Community. It will be quite a while before I can recite one of your favorite sayings; "If I was any better, I'd be good!" I speak for many when I say; "Thank you for all that you have done for us and I will miss you Brother."

God Bless You.

“ Dear Rita and Family, You are all in my thoughts and prayers. I have so many fond memories of working with 'Uncle Mike' at events with Hamden CERT. He always made it more fun than work. He is one of the kindest, sweetest men I have ever known. He touched all he ever met. I will cherish all the memories and keep him in my heart. God Bless you all.

“ My beloved Uncle, brother to my late father has quietly left us. The world is less rich now because of this..

It breaks my heart to know that I can't speak or listen to stories any longer about him & my dad.

Years before we both used to enjoy going to boxing events in Hartford, Ct. and had a wonderful time together.

Mike & Rita were second parents to my brother and I when we were young. We would sleep over their home when my parents went away on a trip. Mike would have us in his garage teaching how to build something.

My Uncle was one of a kind. Always ready to help anyone, anytime.

If at the end of my days I am half the man that Mike was I will be satisfied that I lead a good life.
