“ How sorry I was to hear of Ray's passing. As a teacher at Sacred Heart Academy both in the 1990's and then from 2008 until the present, I had many opportunities to see Ray "in action" and to spend time conversing with him. Ray's encouraging and compassionate interaction with his athletes was inspirational. A kind and gentle man with both students and colleagues will always be remembered with love. May love be what your family remembers most!

“ Dear Tina & family,
I was so sorry to hear of Ray's passing, as well as all he's been through. Be it at work, family picnics or just bumping into him around town, I can't remember Ray without a huge smile on his face. Never remember him saying a negative word about anyone, but more importantly I never heard anyone say a negative thing about Him! He was a truly nice and sincere guy. I know he will be missed, I will keep you all in

my prayers.
May he rest in peace.
Deepest Sympathy

“ I was very sad to hear that Raymond had passed away. I had a lot of good times at the firehouse with him, even though I wasn't a firefighter. I was a police officer but spent a lot of time at them. He also worked as did his dad Alfred with my brother who was a Hamden firefighter. My sincere condolences to Tina and his whole family. May he Rest In Peace.

“ To the Ramelli family. So sorry to hear of Ray’s passing. Ray was one of Centerville’s best. A few years older than me he was one I looked up to, marveling his skills in baseball, football and basketball. I will always remember the baseball at post 88, football on the front lawn at Centerville school and basketball in the gym. Always friendly and cheerful he will be remembered as one of centerville’s legends.
