“ I always loved Aunt Ada's smile. She was a special lady and a wonderful Aunt to me. I have MANY happy memories of your Mom and all the times I was with her and our family. And I cannot forget to mention her wonderful pickles. So many fond memories.

“ We loved visiting family with our children...watching them run from their grandmother, Adele, in one room only to bump into Ada in the next room! Wondering how grandma was in two places at the same time!!!
