

Alan Owen Bickel Osborne

July 16, 1982 - December 15, 2020

Alan Owen Bickel Osborne was born on a very hot day in July, the 16th, in 1982 to Inge Bickel Osborne and James Robert Osborne in New Haven, Connecticut. He died on December 15th, 2020, in California.

Owen grew up learning to fish on the Mississippi River and the Gulf of Mexico. He had some great mentors who loved nature and the natural world became his passion as well. Owen attended Neighborhood Music School, St. Thomas's Day School, Foote School, Hamden High School and the Sound School where he graduated in 1990. He then attended Eckerd College in St. Petersburg, Florida.

Owen worked as a fishing guide, a nature photographer and he had his own drone business. Fishing and the art of photography were his passions and where his talent was most evident.

Owen is survived by his brother Devin and his sister Carly, his parents and many cousins and relatives as well as the people he touched along the way. His grandparents, Ruth and John Bickel of McGregor Iowa and Betty Lou and Jim Osborne of Sandy Hook, Connecticut predeceased him.

There will be a Celebration and Remembrance of Owen's Life on Saturday, September 24th, 2022, at 11 AM at the Hamden Unitarian Society at 700

Hartford Turnpike in Hamden. Donations in his memory can be made to the go fish fund at the Community Foundation of Greater New Haven. www.siskbrothers.com

“ Being one of his babysitting crew I remember Owen the best as a bright and funny kid. Always singing, dancing or performing. When I saw his photography I was so impressed that his creativity stayed true into adulthood. That doesn't always happen that way. I will always treasure the many kind and funny stories he told my parents. Whether it was about golfing or fishing or his travels my parents enjoyed retelling his stories to each of us. He was a very special young man and is missed for sure. Glad he and Peg and Jim are reunited. Inge I delivered your message and I am sure my Dad passed it on to Owen. Sending all of our love.
