November 1, 1943 - February 24, 2024

Alfred John Carbone, Jr. "Al" 80, of Hamden passed away on Saturday, February 24, 2024 at St. Francis Hospital in Hartford. Beloved husband of Valerie Baker Carbone of 47 years. Loving father of Heather Hurlbut (Brian) of Cheshire, and Meaghan (Frankie) Carbone of Hamden. Also survived by his cherished granddaughters Anna and Grace Hurlbut. Predeceased by a sister Beverly Dial. Al was born in New Haven on November 1, 1943 and was the son of the late Alfred John Carbone, Sr. and Anna Toben. Al graduated from Hamden High School and Quinnipiac College in 1972. In 2015, he retired as Associate Dean of Admissions for Quinnipiac University. He was a member of the Quinnipiac community for 45 years, his colleagues were his family. He was a generous and devoted friend to all. He could be found at QU Hockey games and traveled with the team often to places like Tampa for the NCAA Finals and Italy. Al enjoyed gardening, tanning by his pool, going to the beach, vacationing in Misquamicut and Disney, and spending time with his family and friends. But most of all he cherished his time with his granddaughters. He loved to go to all their school activities and sporting events. He never missed a game! Al's family would like to thank and acknowledge the staff for their loving care at Marbridge Memory Care of Cheshire and St. Francis Hospital.

“ I was sorry to hear of Al's passing. Al always made time for the students at Quinnipiac and I, along with my brothers and late cousin, QU Professor Matthew Rafferty, enjoyed many dinners with him. His upbeat personality was one of his many positive traits and he will be so very missed. Rest in peace. Bill Rafferty Jr, and the Extended Rafferty Family

“ So many memories of Al. He was always so welcoming to everyone. A few of the highlights... The huge delivery of fruit to the Admissions office from the family of a student, we ate for days! All of the Jersey days... Celebrating St. Joseph's Day with delicious pastries. Open Houses and his ability to continually remain upbeat and energetic when the rest of us were dragging. I still have the Stop and Shop reusable bag that he used to deliver an autographed helmet from the QU MIH team to my office for use in a charity auction. He never said no to any request if it involved a student. This man is a legend and one of the kindest people I have ever met in college admissions. Rest now my friend. You are and will be missed. Say hello to Nick and Bruce Saulnier as you have the best seats in the house to watch over the arena.

“ I went to Hamden High and Quinnipiac with Al. He was a crazy (in a good way) guy.  
I spent many hours with Al at Hamden sporting events. He always was outgoing and funny during these times. He worked for many years at Quinnipiac and was an attribute to the university.  
I extend my sincere condolences to Al's family.
