“ Amy was just a fun loving and very cool cat. She was one of my first friends in BIS and we continued to stay friends through high school. She was nonjudgmental and truly took interest in getting to know people for who they were. She always had a smile and never a harsh word. She will be truly missed and always held in the highest my regard.

“ Amy was/ is a favorite among her BHS alumni; a truly lovely girl who grew into an even lovelier woman. We are all reeling in shock, grief, outrage and dismay over her passing. May it comfort her nearest ones to know just how many people she touched throughout her lifetime and just how beloved and sorely missed she is and will be.
