“ *My deepest sympathy to you Diane and Shawn and Andrew. I had the privilege of being a service tech on the air conditioning at the Knights of Columbus. I had many conversations with Andy, and he often was helpful to me during problems or during seasonal start ups of the air-conditioning. He even bought my 1955 Ford station wagon, and I remember going to your house to look at the ductwork he installed for the central air. I'm so sorry for your loss, and I pray that God extends grace and strength and comfort to all of you as you face the days ahead.*
