“ *Dear Angelo, as the years go by, I stop and think about all the memories we've made, the good times we've shared and the love between us that keeps growing. You were not only my husband, but my friend and soul mate. I thank you for all the things that you've done for me and the kids. Not only were you a wonderful husband, you were a terrific father, provider and caregiver. You gave so freely to all those you knew in such a loving way. I'm forever grateful for your love and proud to be your wife.*
