“ I am very shocked and saddened to hear of Ann's passing. Ann and my Mom, Peggy Jackewicz, worked together for years at Yale. After my mom passed, whenever I saw Ann in church she would always ask me how my dad was doing. I'm going to miss seeing her at Mass, but I know she's up there catching up with my mom. Jack, I am so very, very sorry for your loss. I'm also sorry that I only found out about this now, because I would have liked to have attended her funeral mass. May she rest in peace.

“ Dear Jack,
I know your heart is broken and your world has been shattered by the lose of beloved Nonny. Nothing will ever be the same but the memories your hold can never be taken away. She will always live on in spirit to all of us who knew and loved her.

Ann was one of the most caring loving person to anyone that was blessed to have her touch their lives. She made the world around her a better place and enriched others lives in the process.

The travels the four of us shared going to Kristofferson concerts is countless as is the days we spent by the pool. You loved the pool and Ann loved sitting in the hot tub. She would always surprise us with a great appetizer or a great dessert!

She will leave a void in ours lives that can never be filled. Her memory will live forever and we pray God will help you through your pain and suffering.

“ *Oh Ann I'm going to miss you so much! Only yesterday I was showing a friend the little angel figurine that you gave me to comfort me when my beloved dog Ollie dog died two years ago. You were always so warm and welcoming and made me feel wonderful! I still feel your loving presence just thinking of you. Jack--I'm so terribly sorry for your loss! Please know how much I can feel how deeply you must miss Ann!! Even I, as a dog park friend, miss her intensely! Ann is one of the most wonderful people I've ever known. You and she have both been so kind when we have had other losses at the park, and you have both always been so loving to your wonderful beagles. Please accept my condolences and know that I will always have Ann in my heart. May she be at blessed peace now!*
