“ *When your sister marries, you usually get a brother in law and on few occasions his family. When my sister married Jack we also got his Aunt Ann for which we are all eternally grateful. Just about every holiday we could count on her to be at the table with the wisdom of her years being shared with all of us. She always could be counted on to tell us how she felt about what was going on in our lives. Sometimes a chuckle for a stunt we pulled , sometimes a stern speaking to, but always with love. So glad my sister was able to be with her at the end so she could tell her what all good "kids" we were. Holidays will never be the same. We will all miss her very much.*

“ A wonderful, beautiful person has passed. My mentor, my friend, the woman who filled in for my mother who had passed so long ago. Our life has been so blessed by the presence of her love to all of us, Jack, Kerri, Kevin, Hayley, little Jack, Max and Vanessa have all benefitted by the kindness she showed us. My heart aches for the loss I feel but I'm am a better person for having had her in my life. Love and miss you. Barbara
