“ Dear Sullivan Family, Ann, Cori & Andy Campion, I am very sorry to hear of the loss of your sweet Mother and Grandmother. I have many memories of her when I was young growing up in Connecticut. What I remember the most was a loving, kind and compassionate woman. A woman who cherished and adored her children and grandchildren. The most difficult part of life is lose those we love and have loved us the most. Take comfort in knowing that she is in God's care now and that her love and radiant presence will always be with you. Myself and family extend our heartfelt condolences and love to you all.

“ Grandma, I will always remember those afternoons when you tried to teach me how to knit. I'm still awful at it, but I kept the needles and case you gave me because I swear one day I am going to finish something. I do much better with all the recipes you shared with me that Christmas. You will forever live on in my heart. Love you, miss you.
