“ Dear Bob & Family,

*I am so deeply saddened to find out about the passing of your loving wife and mother. Making this occasion even sadder is that one of her co-workers, Theresa Russo, just passed away. Nan was so much fun to have in our office, she loved to read about the Kennedy's and enjoyed the newspaper immensely. She was always quick to have a funny story to tell. She also remembered years later the time I told her my brother got married in Vegas, and the only response my mother had was that our cat died. We thought of her often here and still will. My condolences.*
