“ I worked with Annie at Family Relations when it was located on Orange St. (in the 1970's). She was fun to work with. I always liked her. In fact, she was the first person to realize I was reading lips and not hearing sometimes. I went and had my hearing tested and sure enough, loss in both ears (at age 22.) I had surgery in one of them at Yale New Haven Hospital.

I will always remember how she helped me and , yes, she was a good listener. She was fun to be around. Very friendly and caring. I was sad to hear of her passing. Sometimes we would ride into work together as I also lived in Hamden, near her.

She lived a long life, I am glad to see. My grandmother, also of Hamden, lived into her 90's too.

“ My condolences to the family. Anne was a wonderful lady, and a very good friend of my Aunt, Midge Bishop. I always enjoyed meeting up with Anne and going down memory lane with her. Early days down on Truman Street. Rest in Peace Anne.

“ *Dear Tom and Florence. So sorry to hear about the passing of your mom. I really enjoyed talking to her. She was a great listener and she always asked how our family was doing. She was funny and I will miss her. Now she is with your dad and all of her siblings and I'm sure she is comforted by them now. You were really good to her and I know it's a huge loss to you both. Take care of yourselves. Love Mike and Gloria XO*
