“ *My sincerest condolences to the family of Mr. Janacek. I am a past student of his at the Connecticut School of Electronics in New Haven CT. He was an excellent teacher who always was helpful and extremally knowledgeable, My memories of him standing at the chalk board drumming electronics in our heads are as vivid today as it was in the 1960's!*

His skills in electronics and teaching abilities enabled me to achieve licensing and kick start in a career. Thank you Mr. Janeczek!!
