“ It was a pleasure to have worked with you at Sheridan Middle School in the 1980's and I will never forget when we had Jessica Tandy of Driving Miss Daisy Rae speak in the Library that Audrey ran so effortlessly and organized academically for the benefit of the students at Sheridan. We had a wonderful reception following the lecture along with pictures and autographs. We were always putting some kind of visual arts, or lectures for the students. Thank you for being a mentor to a young English Teacher! May your family cherish your beautiful memories.
