“ *Barbara was a very special part of our family. She brought laughter, caring and kindness to all those around her. Her favorite topic of conversation was always her family, especially, of course, her precious Leah. We all deeply miss Barb's presence at the center. As we each talk about the things that made her special, we find comfort in the wonderful memories she left behind. We love you Barb..... Our sincere sympathy to Alyson, Damian and Leah,

“ Our favorite memory of Aunt Barbara is our "special Precious moments/Annalee "visits with Aunt Barbara, her friend Diane, my mom Theresa, Matt & Nick. Thanks for passing on the family collectors disease-lol :). The pool parties. Her amazing infamous miniature cheesecakes with the fruit on top. Her contagious jovial laugh and warm smile. Our Family holidays together-sure do miss them !Heaven must be rocking with all those Vargas. We love you all xoxo.

Yes, there were sad moments during our brief friendship like the passing of your loving Husband. But, I choose to remember only the beautiful caring and sensitive person you were. I have happy memories we shared with our precious kids, Alyson, Chris and Jeanine. Your contagious laugh as we sat by the pool in Fair Lawn or the festive atmosphere as we were getting our collectibles from Dianne will always be remembered.

Rest In Peace my friend.
