*Every time we think of Bridie, a smile comes to our faces.*

*She lived directly across the street from me for over eleven years. We shared many cups of tea and conversations at her kitchen table. She taught Lisa and I a new perspective on life.*

*She always said she " never wanted to be a bother to anyone" and was fiercely independent and wanted to live her life in her own way. She never gave up or gave in regardless of what life presented to her.*

*She was so loving and caring in all the things that really truly mattered. She lived her life teaching us that the most important things in life are not things that you can touch or see, but can feel within the heart.. She was amazing..*

*She will always have a very special place on the back-roads of our minds as she has left her gently placed footprints all over our hearts.*

*We will miss our Special Lady*
