“ My deepest sympathies to the McEwen family. Bruce, you were a wonderful and true childhood friend, and of course..an always willing participant in classroom mischief. Nevertheless, smart and studious. Yet today, I hold dear the memory of the last time I saw you, a few years back now..in Westville, and the conversation we had. Now you rest, my friend.

“ To all the McEwens: so sorry to hear about Bruce. I have many fond memories of him growing up in Westville. This is a great pic of Bruce and makes me smile to see him looking so good back in the day. It is very sad to know that another childhood friend has passed on at way too early an age. Now he can be with Brian and his Dad. My sympathies to your family. Stay strong, Jamie Dahill NYC
