“ Dear family of Dr. Marino - My sincere sympathy to you on the passing of one of my favorite teachers at Stamford High in the 1970s. Dr. Marino was my AP History and Russian History teacher and I'll never forget all the heavy (Dostoyevsky/Cossacks galore) books he required us to read over the summer before senior year. I read *War and Peace* in one week! He was the most engaging and intelligent person, who challenged us all to be better, more informed students and citizens. I will always remember him fondly. The last time I saw him was at Terry Connors rink many moons ago, sitting in the stands and watching a grandchild take skating lessons. He looked great then too. I always regretted that he was spirited off to Westhill to the great loss of the SHS family! I'm sure you know that he touched many lives and will be remembered very fondly.

“ Dear family and friends of Dr. Marino, I was very sorry to hear about your loss. I'm sure you will all miss him very much, and I know you will cherish his memory. It is times like these that we need much in the way of comfort and support, and I look to God's Word the Bible for both. I find scriptures such as 2Corinthians 1:3,4 which shows how the "God of Comfort" will give you the courage and strength to cope. Psalms 55:22 assures us of God's love by allowing us to throw all of our burdens on him, and both John 11:25 and John 5:28,29 speaks of the resurrection hope that we hold out for our dear loved ones. I hope these scriptures help you as they have for me. My thoughts and prayers will be with you in this most difficult time.

“ My sincere condolences to the entire family. Dr. Marino taught me in 1961-1962 at Stamford High School. He was one of my most outstanding teachers as he made us think! We supported him by watching him play hockey. I still talk about him half a century later. My thoughts are with you.

“ My deepest sympathies are with you. Doc was a wonderful man. A great teacher and a great coach. His intelligence and wit were legendary, as were his hockey skills. Doc was simply the best. I hope you find comfort in the many lives that Doc touched.

“ Dr. Marino was one of the very few high school teachers about whom I have a distinct memory (drinking his tea during class and all!). He always treated his students as mature adults and he expected only the best from each. He had a positive impact on my life and I'm grateful. We need more teachers -- and more people -- like Dr. Marino! RIP.
