“ *Carm! ... You were my mentor at SNETS teaching me typography and finding every typo I made. Later you became my boss, and I must say, one of the best bosses a person could have. You were good at what you did. Rest in peace my friend.*

“ I want you all to know that through all of her pain on the day she
passed away, she looked up at me and smiled repeatedly. She
didn't seem at all afraid. She had a warm glow that surrounded her
face. She knew that she was being called home. I sensed no fear
only peace. She has found peace now. The pain is gone for her. It is
only for us who are left behind who miss her so much.
