Tribute Wall

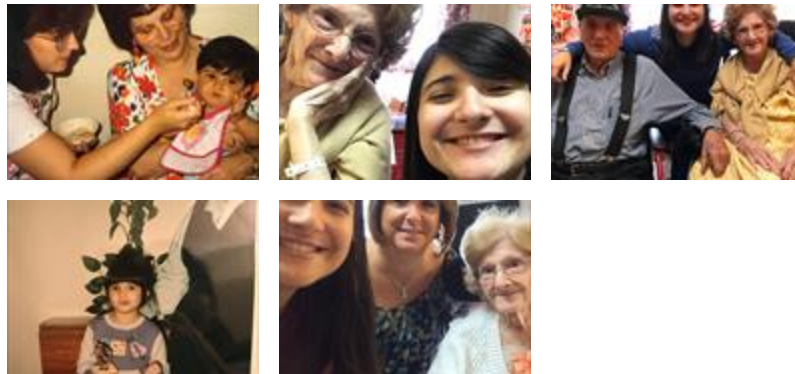

“ I was very blessed to know Carmella. We had very special times together when Ben would be out for long lengths of time. She shared memories of her life and I shared my life with her. She loved seeing pictures of my granddaughter. She would offer me advice on my love life and I would take it! We laughed a lot as she had a very subtle and quiet sense of humor. Our times together were very special to me. Her family now has the most beautiful angel looking over them. She will be missed. Rest In Peace sweet sweet Carmella.
