“ Dear Bobby and Family,,I'm so sorry for your loss. Carmen will always be in the hearts of so many he touched. He always had" that" smile on his face and had a story to tell, to make you laugh. He will be missed terribly. I ran into him frequently at the coffee shop in Oxford,,,,and there was always a big smile and amusing conversation. I will miss him .

“ Bobby:

There's no words that can express how sorry I am to hear about the death of Carmen. Growing up across the street from the Guerra household is something I will never forget. Hanging out in the garage or on the corner for hours, trips to FL. sharing holidays together, I can go on and on. Memories that I have with Carmen and your family will last forever.

Rest in peace my friend until we hang out again, you will never be forgotten. My condolences to you and your family.

“ Dear Bobby and family,
I am so saddened about Carmen's sudden passing. My heartfelt sympathy goes out to you and your family! He was a forever friend from Bear Path school, skating on paradise pond, swimming at paradise park and all our zany adventures through high school and beyond. He taught me how to drive a standard shift in a snow storm, motorcycle, up Baldwin drive, and bombing around the sand pits with Dougie on the old green Volkswagen. I was even lucky to make it back to shore in one piece with "Captain Carm"
We shared our life's journey together during the good/fun times as well as he bad/sad times.
He was a friend to many and will be missed by all. I will smile fondly when I watch our Yule log on television this Christmas. I will be having a Mass said for him at Ascension.
No more drama, no more troubles, just gentle rest my dear friend.
Love, Carolyn (Saleh) Kelly

“ It takes only a minute to get a crush on someone, an hour to like someone, and a day to love someone-but it takes a lifetime to forget someone.

You are at peace now my friend

*My condolences to the entire Guerra Family and its many friends,

“ Too many memories to pick just one. The trip to Maine in my VW with Fred riding next to us on his motorcycle.
The trip to the Cape at the Tobin's.
Then of course the 'wagon wheel' at the big tent at Bluegrass. Too many good times.
Clarissa is devastated by the loss of her 'Carmie'.
God bless you. Michael and Lucia will be thrilled to be reunited with you.
Love you always.

“ Dear Carmen,
So many fun memories and surprises these last few years. You popped up off the highway in PA on our trip to Colorado. You appeared in a parking lot on a surprise visit back to CT. I hope to see an angel, when it is my time; that will be you waiting to show me the way!
My sincere condolences to Bobby, Geri and the children. And to Kenny Ney and his family. Thanks to Ken, for including me in gatherings where I got to know you better and saw your big ❤️ first hand. Much love to all of you at this sad time. Rest in Peace Carm. I'm sure you are enjoying Michael until eternity now.

If Carmen was there, you knew you were at the party. Growing up as one of the younger kids on the Hill, he always made me feel like I belonged, always a smile, a good word, always asked about my family, never forgot where he came from. small story....one Super Bowl, after being out all day pillaging numerous haunts, I had totally lost track of all the pools I was entered into much less the locations. Two days later Carm shows up where I work with an envelope from a local watering hole and says this is yours. He said it wasn't good to leave it waiting, all others were paid. I had no idea I won. He would not take a tip. He was just looking out for the young skinny Robinson punk from Hill St. Thanks for the lesson, and all the laughs.
