“ Please accept our deepest condolences. Carmen was my brother at Beta Sig and always brought a sense of balance to every situation. He was rather in the quiet side, but you always felt that everything was going to be OK when he was around. Albert Manduca

“ My wife Nancy & I went met Carmen at UConn. We enjoyed many good times together over the years. Special recollections are working with Carmen to renovate our porch and then to add on a deck. He loved to work with his hands, and offered to take on projects at our house. The deal was we paid for all materials and I would work with Carmen after his regular job. He would give me orders for the next days tasks (easy enough for me to do) and all he expected as payment was to be fed! Also remember the limo ride to NYC for Carmen's 50th birthday. We offer our sincere condolences to Jolanta, Carmen & Courtney and wish Carmen Godspeed. We will miss him. Bruce Humiston

“ Jason & Kim - My condolences to you and your family on the loss of your Dad. Carmen was a fraternity brother of mine with Beta Sigma Gamma at UConn and a couple years ahead of me. Still recall many fun times at parties and major weekends my first 2 years there. He will be missed.

“ We were so sorry to hear of the passing of Carmen. Our sincere sympathy and condolences to his family. Uncle Freddie passed away so young and seeing Carmen's picture, he looks so much like his dad. I know he will be deeply missed by his brother and sisters. May Carmen rest in peace as he is reunited with his mom and dad once again. Our thoughts and prayers are with you all..❤️
