“ Dear Andy, Sam, Julian, Richard, friends old and new,
My heart is with all of you. Such a loss of a beautiful person. I hope you all find comfort with each other. Carolyn was a life long friend, having met just before our 13th birthdays. I loved her very much. In spite of the geographic differences we could always pick up where we left off, even by phone. Thank you all for taking such good care of her. I hope to meet up with you in the near future.

Love,

“ My deep condolences to Andy, Sam, and Julian and to all the many, many friends that she has kept through her life. How I cherish our time together at Yale (CMHC), always relying on Carolyn for some comic relief and true, thoughtful friendship. Years later, you helped me so tremendously during my master's thesis on residential colleges, using Davenport as a model. My heart feels so warm when I think of you and our friendship and thank you for all that you've given me. Shamble on, my friend.
