“ Celine has been my dearest precious, friend for for many years. I shall always regard her as a gift from The Lord. It was an honor to know her and to pray with her daily. I will never forget how she was always present when she was needed. We shared many prayers and joys together and she will be deeply missed and will have a special place in my heart. I pray that the memories of Celine will be comforting for all her beloved. I know that Celine is in a better place with the Lord and while she will be sadly missed, I believe she will be a wonderful intercessor in heaven for me for all her loved ones.
