“ I have fond memories of Chip chauffeuring Barry and me to our requested movies, concerts and social events in our adolescent years... no licenses! He drove the silver Riviera and always had great stories to tell us en route to our destination (s). Chip was an intelligent and very humorous guy and a good brother to Barry. Thinking of you Bar! Hearts, prayers and white lights.

“ There are simply NO words that adequately convey my heartfelt condolences to the Triest family. Though our paths had not crossed in far too long, I adored Chip!, he was extremely special to me. Being one of my first friends, as well as my co-worker, when I moved to N.H. From Fla. and began a job with WERZ radio station going way back to the mid-80's! His sense of humor & infectious laugh..along with that brain of his!! (oh, SO smart!!!:-), were some of his MANY admirable qualities, that would shine like a beacon to me...so Thank You "Chipster" for the AWESOME memories.. Rest In Peace my Friend..and to his Wonderful and also Extremely Special to me! children, Matthew & Mallory

“ I remember many, many good times with Chip and Barbara back in the WHCN days - up on Asylum Ave and around Hartford & New Haven. Chip was always welcome by the on air group even after he went "to the Dark Side" into sales. Just a nice, nice person and easy to be with. If there is a radio station in heaven, he is on-air or selling time.
