“ *My Deepest Sympathy and Loves goes out to you Georgiann, Jacques and Jackie.*

*Memories bring smiles to our faces, tears to our eyes, or both at the same time. Even though Christian is physically gone; we've all been left with a special gift – our memories of him.*

*I believe angels are the souls of our loved one; that have left our physical world to watch over us high above and hear our prayers. They look down upon us, watching & guiding us to stay safe and to walk with us in our time of need.*

*Let's bring together the Memories we have of Christian to bring to life our new guardian angel. Let him guide you on your journey; whether it's a hike; high in the mountains; in the deepest; darkest cave or a walk in the park. Let the memory of his laughter; his smile; fill your heart.*

*Christian may not physically be with us; but he will always be in your heart and in your soul. So shed tears that he's gone or SMILE because he lived. Close your eyes and pray he'll come back or OPEN your eyes to see all that he's done. Your heart can be empty because you can't see him or Full of LOVE that you have all shared. You can remember only that he's gone or CHERISH his memory and let it live on.*

*With Love Always, Dawn, Dave and Cheyenne*
