“ I just found out today that Christine passed away a year ago. I met Christine when we were 5 yrs old. She lived down the street from me and we spent a lot of time together. We were in kindergarten together at Shearer. We constantly played together under Woodbine Shade Tree. Played horses, called each other by our horse names. Christine introduced me to my first lipstick, Celebrity Pink. As we grew older, we did not spend as much time together, probably because we went to different elementary schools. I will always remember the great childhood times I enjoyed because of Christine. I remember the square dancing parties her parents had in their backyard and I loved playing in their basement because of the swinging door. My sincere condolences are being sent to Mrs. Chetosky, Diane and Mark, along with Christine's family. I am so very sorry for your loss. This occurred way too soon. I will never forget my first friend. RIP Christine.

“ I worked with Chris a long time ago at Bendix. Actually, worked with her late husband Juris as well. I just wanted to send my condolences to her family and friends. She was a really great friend to me when I first moved to Michigan from Maryland and I was always grateful.
