“ Karen and Tommy,
We are so sorry to hear of the passing of your Mom! Though it was many years ago in which we were neighbors, the memories of your Mom and Dad are fond! We always felt welcome at your home and Mom and Dad always so welcoming and neighborly.
May you find Peace in knowing she is with the Lord!

“ Claudia was my oldest living sister. I was the youngest of our family and it was wonderful to have my older sisters help me and guide me through life. Claudia would put pincurls in my hair just to make me feel special. And, her caring kept our family together throughout the years. Having the entire family over was always fun. She made many special dishes to accommodate everyone's likings. This iwas one very special way she showed her love. I pray she is now at rest and in no more pain.
