“ *Deepest condolences. Your mother was very generous and kind to me and my family. I always admired the genuine and caring nature your entire family. She and your family made the "neighborhood" a better place to live. Take solace in the fact that she touched a great many lives and made the world a better place for all those in her life. She will be missed.  
I wish her God speed.

“ *I would like to extend my deepest sympathies to Connie's family. I came to know her while she was a school nurse at Hamden High. My mother, Marion Visel, also worked there and they became friends. I also babysat for David and Richard and Helena. That would have been about 1969 and 1970. What a wonderful family.*
