“ There are not many whose life has touched so many others as much as he. His presence made you feel welcome, he was always ready to lend a hand and his heart was full of love.
I grieve his departure from this earth, but rejoice in the time we had with him here as well as when we see him again with our father in Heaven.
He will forever be in our hearts and minds.

We love you, Dana!

Dana, I will always cherish our trips @5am to Misquamicut at breakneck speed. Or the two trips to Nashville with no sleep. Those memories will live forever, as your spirit will live in all of us missing you. I know God took you for a reason, he always takes the good ones too soon. Rest in peace my friend, and know you are loved by many that are left behind.
