“*Dave and I were classmates at Hopkins at the time when he lived on Chapel St. We had a lot of good times together. He wasn't just really smart (something you could just sense) but had a great sense of humor as well.*

“*As a Morse College freshman in 1967-68, I benefited from Dean Behan's counseling. Specifically, as I was on the verge of flunking out, he asked for a meeting with my father and me and advised my father to let me choose my own courses. I went on to graduate. Thanks, Dean Behan!*
