“ Joanne and all, since 2015 David has been helping me with my daily on-line blog on scripture used in the Masses of the Catholic Church. These posts are written at 4:00 AM and published by 6:00 AM and David proof-read and returned them to me each morning for all those years. I never met him (living in Ann Arbor, Michigan) but he was brilliant and insightful. Joanne has taken over the task in his stead and I cannot express how much I have appreciated booth of them. My deepest condolances to the entire family and the community for your loss. David was much loved and respected from afar.
