

David Allen Findley Jr.

August 12, 1990 - January 5, 2026

David Allen Findley, age 35, passed away on January 5th at Connecticut Hospice. He was born on August 12, 1990, to Susanne Findley and David Findley Sr. David was a current resident of East Haven, Connecticut, and formerly a lifelong resident of Hamden, where he lived for many years with his grandmother, Maureen. David was known for his fun-loving spirit, his easygoing nature, and his ability to make others laugh—often at his own expense. He never took life too seriously, and his humor and warmth brought light to everyone who knew him. Sports were David's greatest passion. He was a devoted fan of the New York Mets, the Washington Capitals, and a loyal Minnesota Vikings fan. Hockey held a special place in his heart, culminating in a state title in 2009 for Hamden High School. David played for many great teams throughout his youth hockey and high school career and was mentored and coached throughout his life by his Uncle Carl, who always held a special place in David's heart. He also shared a special bond with his cousin and role model, Tom Glynn, with whom he shared his love of baseball, hockey, and golf.

David is survived by his loving aunts, uncles, and cousins, all of whom will miss him dearly. He is also survived by his grandmother, Maureen, who raised him on her own following the death of her husband, Carl, in 1997. David and Maureen shared a forever bond, and she will miss him immensely.

“ *I am so sad to hear of Dave's passing. Although we haven't seen each other since high school, the memories are vivid. Dave was so kind and so funny. He would always make me laugh. Always made those around him laugh. His spirit was infectious and that's exactly how he will be remembered. I am so sorry to Dave's family and friends. Sending prayers and strength during this very difficult time.*
