“ To the family of David, David is my cousin. My mom was his mom's close friend. When we lived on Middletown ave, in the 1950's, we would travel by bus to visit Janie, (his mom) and David would be in school, and I would read his Dick and Jane book and cuddle his very loved stuffed bunny. I remember their apartment in New Haven, very well. I remember the store a few doors down, where we'd get penny candy. My brother was closer to David because of age. My brother passed around the time that David did, so perhaps they're still communing. My family moved a lot and of course, as a child, I didn't have the luxury to keep in touch with cousins. I remember when Harvey went into the military. I have so many memories and I send my sincerest condolences to Davids family. Sincerely, Debbie Franco

“ Gail and family, just heard the news of Dave's passing and I am shocked and so sorry to hear this. I worked with Dave at Ct. DOT for many years and had many a laugh through our easier days in the summer and the rough ones during those long and grueling winter storms. Had some great times golfing with Dave as we traversed through some nice courses in Ct. with some of the other DOT squad . May Dave Rest In Peace and again, so sorry Gail.
With condolence, Randy Mik..
