“ I am in total shock and disbelief to learn that my former girlfriend from 30 years ago has passed away! It is with great sadness that I never had an opportunity to say goodbye to her. I have been praying for her nonstop when we reconnected last year. Dawn had an infectious smile and laugh, and was always positive and fun to be around! I still remember her maroon Camaro and visiting her parents in upstate New York. My heart is broken for my dear friend. She told me that she was going to have her family use the picture I took of her when she passed. I am so sorry for everyone’s loss and the world’s loss of a wonderful human being. 🥹

“ I never got to know Dawn well. We never met face to face but as fellow members of the Smilow Patient & Family Advisory Council in our Zoom meeting rooms. Dawn was a great member of the council. She always had insightful questions or shared thoughtful opinions. I wish we had had a chance to actually meet. I'm sorry for your loss and will keep your family in my thoughts. Richard Sider
