“ I knew Debbie From working at St. Raphael's ED. She was a beautiful kind caring person who cared deeply for her patients and her friends. She always had a smile she was always gracious and courteous and never failed to say hello how are you doing?. This is a huge loss for her family and her friends. She is in my thoughts and prayers as well as your family and I wish you comfort in this very difficult time. She has become another star in the sky shining down her light from heaven.

“ Dear Mel and Family,

Please accept our heartfelt sympathies as words are inadequate to express the sadness we feel about the loss of Debbie. Her presence was a gift to so many with her kindness and beautiful smile. We knew her so briefly yet we will never forget her and what she meant to so many. Rest in peace Debbie.

“ *Mel and Family*

We offer our deepest sympathy for your great loss. Debbie was always so welcoming and generous to me. Her beautiful smile and infectious laugh are etched in my memory from the many social events at Pawson Park which she hosted so seamlessly and well. Mel, we have been friends for many years and it was nice to see the "Mel and Debbie" Mel. A beautiful couple, each complementing the other. Marina and I are so sorry for what you are going through. We hope that somehow you all can find peace and strength in this time. If we can help in that process please know that you can call on us at any time and for any reason.

“ *Dr. Melih Arici and Family,
Although we have been close neighbors for the past couple of years, we have rarely had the opportunity to interact, except for an occasional meeting in the yard while you were working on your garden or when Debbie was cutting the grass. Never the less, Gerry and I are devastated by Debbie's sudden passing. Gerry and I extend our most sincere condolences to you and your family, including those two wonderful boys I see playing in the yard every day, Sean & Randy. You will be in the thoughts and prayers of both Gerry and I.*

“ We, her Turkish family, were devastated to learn of Debbie's passing. She was so beautiful, inside and out, and had made our cousin, Melih, the confirmed bachelor, so happy. We looked forward to their growing old together and for us to have many years to get to know Debbie. But it was not meant to be.

Our hearts go out to Melih, Debbie's children and her entire family. Know that you are in our thoughts and prayers.

Much love,

“ To Ken, Frances, Denise, Karen, Christine, and families:

Our deepest sympathies and sincere condolences on your loss of beautiful Debbie. It is difficult to believe that 22 years have passed since that fateful picnic acquainting Annmarie to the family and vise versa. One cherished memory that has stuck with me was how welcomed I was made to feel by Debbie in particular: she offered me a beverage, walked to the refrigerator, handed one to me and said "don't ask again". That gesture quickly put me at ease and I've gone on to use it with guests to my home through the years - always sharing the story and how much it meant to me.

You are all in our thoughts and prayers!

“ Knowing the family only a short while, Sean and Randy are two of the finest boys I have met in some time. Respectful, polite and good natured, I hope you watch over them in this difficult time. I take solace only in their strength and will pray that the good things you have taught them carry them for the rest of their lives. The people around them will be supportive and help them adjust to the change, but I know their fortitude will give them strength. Rest in peace.

“ I had the privilege of working beside Debbie in the ED at St Ray's. I considered you a trusted friend. Your infectious beautiful smile and sense of humor made even the worst days bearable. We had many laughs and conversations about life. You always greeted me with a huge smile saying "hey girlfriend" followed by a big hug and kiss. I will always remember how you beamed with pride and love when you talked about your children. You worked so hard to provide for your children. I admired your perseverance and strength during difficult times and how you still were able to smile through it all. You were so kind to your patients and always advocated on their behalf. I am so heartbroken ...I will never forget you my sweet friend. My deepest condolences to Debbie's family.

My prayers and sympathy for your family. I first met Deb at Bridgeport Hospital School of Nursing. She was valedictorian of our class. So pretty, so smart, so kind and so funny. That was many years ago. I have seen Deb all over our small nursing community and in our town of Branford, mostly on the football field with her boys. She was loved and cherished by everyone. She will be greatly missed by all that knew and loved her. Be at peace my friend.
