“ *What we have once enjoyed we can never lose. A sunset, a mountain bathed in moonlight, the ocean in calm and in storm. We see these, love their beauty, hold the vision in our hearts. All that we love deeply becomes a part of us. Denise, who has touched so many...will remain in our hearts and memories.*

“ Please except our condolences from the Appi family.I didn't know Denise that well, but did have the honor of meeting her last year during a family get together.  
She was full of energy, smiles, and laughs just like the rest of her family. And even though she is not with us today I know she leaves behind these great memories with her family and friends.  
Denise will be in all our prayers. May God Bless Denise and all your family

“ To my Sweet Angel, I will miss you dearly. I am so glad you and I reacquainted. I fell in love with you the day I met you at Center School 45 years ago. I've always held a special place in my heart for you. I'm glad that in the last few years we laughed and cried with each other. Talking about the good old times. I'm glad you came to the class of 78's 30th reunion with me Pete, and Joanie. We had so much fun the four of us that night. I lost a piece of my heart sunday when I heard the news. But only hope you were my angel that got me out of my burning car sunday morning. To Sarah, Bryana, the entire O'Hara family. My thoughts and prayers are with you at this time. Denise was always someone special to me. I know she was someone special to all of you. May Denise's soul and all the souls of the faithfully departed rest in peace through thy mercy of our lord Jesus Christ. Amen
