“ Dear Kathy and all the Conway family- Jack and I were so sorry to hear about Dennie's passing.

I always remember the Conway's visits to Rockport, MA and my mom couldn't wait for your visits; they were so packed with love, fun and laughter as Dennie told his stories and jokes...always with a clean punchline for her:) The thing I remember most is Dennie's smile and his laugh...what a beautiful legacy he leaves behind..because he lives on in the hearts of all those he touched.

I like to picture a parallel Celebration going on up in heaven on the 4th... with Dennie sitting with Walter, Shirley, Rudy,Dennie Sr, Anna, Bob, my mom and all those who have gone before enjoying a tribute to a wonderful man from above..

We only wish we could be with you to Celebrate his life and give tribute to him in person... but we are unable to travel at the moment. However, we will certainly be with you in spirit.

*Namaste,
Cathy & Jack Cohen*

“ Kathy - I am so sorry to hear about Dennie's passing. I so fondly remember him bantering with Steve in our basement about politics, asking loaded questions - just to see his reaction. He had such a great sense of humor: strong on mischief and irony. My favorite memory is, of course, his reaction when Amy got my girls to sing "When Irish Eyes Are Smiling" for him at her wedding. I know that brought him both happiness and sadness, as he remembered his mother and the times you all sang it together. Surely you are living that memory dichotomy now - some sadness, some joy, and hopefully soon the joy will outweigh the sadness. He was a gem. Sending love and peace, Cynthia

“ Missing dad every day. Lots of incredible memories. Too many to count.

Mom, 🙏 to you and dad for all you've done to support our family and for the many, many incredible gatherings of friends & family over the years. (Will upload more pics later. Wifi glitchy!:)
