“ I want to send my deepest sympathies to Dom's family and friends. I knew Dom from working at Data-Mail for many years, close to 20 years i think. Dom was a person you could blindly trust, no missed deadlines and always resulting in high quality deliverables. I used to talk with Dom about cars, specially about an old TR6 he once had. My fondest memory is watching him smile and get excited while i was redlining through all the gears of my car in Hartford avenue, we had fun that day. i will miss Dom, a stand up guy in my book of life....Bernardo

“ *Chuck was his name when we met in Florida. I met Chuck through Maggie and we spent a lot of time enjoying each other's company, listening to music. One favorite moment was walking up to there door and they both were jamming , windows open, instead of knocking I sat in the grass and listened for almost an hour. Chuck was a beautiful, kind ,generous man. Rest In Peace my brother. All my love to you Maggie and Anthony*

“ I will miss going to Earls Hideaway with my friend. Talking over old times, our families, music, old cars, our youth, and yes Data-Mail stuff. Watching the bikes roll in and out, enjoying the view of the Indian River and of course all while having a few beers. I will miss my old friend.

My deepest sympathy and prayers to Maggie and Anthony who he loved and spoke about often.

“ I would like to extend my deepest sympathy to Maggie and Anthony and Dom's extended family. I am a better person for knowing Dom. He was my friend and co-worker for years and was one of the kindest, wisest and most thoroughly decent people I know. He made difficult tasks look easy. and he knew just when to inject some humor into a stressful situation. I am richer for being his colleague and team mate.

I will miss him a lot. On July 29th 2021 heaven was enriched by his arrival.
