“ So sorry to read about the passing of Dorcas MacClintock, a most wonderful lady. I loved the idea that she was helping animals with their personal rehab plans in Hamden! And that she had special permission to do so. She and Cope were stalwart friends of East Rock Park; we have lost very treasured friends. With best wishes and condolences to Margaret and Pamela, especially. I hope the memories of your parents will be a source of solace and blessings for you.

I just heard of Dorcas's passing. She was a great lover of Collies and a supporter of the Collie Club of America. I came to know her through that organization. She was a lovely person and I will always remember the beautiful sculpture her daughter Pam did of our dog. Jackie Caruso
