“ *This beautiful woman, a community legacy, has a very special place in the hearts of our family. When Paul was born, Doc and Mrs. Brady came to our home to talk to my parents. My beautiful mother, Bo Meinsen, told Mrs. Brady to read the book of Job. These beautiful ladies had such an amazing faith and an unconditional love for their children and family. Especially for Paul and Mary, these Mothers taught us all to love infinitely and that special needs children are gifts from God. Rest in peace with the angels, as you were an angel on earth.*
