“ *Dear Logan and the Condon Family,
During this time of loss, may your hearts be filled with the joy and love you and your grandmother shared.
May your fond memories give you comfort.*

*I'd like the memory of me to be a happy one.
I'd like to leave an after glow of smiles when life is finally done.
I'd like to leave an echo whispering softly down the ways.
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun.
Of happy memories that I leave, when life is finally done.*
