“ To the Ferreira family,

Though I did not know your wife, mother, or daughter personally, I came to know about her strength, courage and valient fight through my daughter, Jill, who is friends with Jackie. Jackie, I am so in awe of your mother's strength and courage through her difficult battle. I wish you and your family peace, love and support in the coming days, weeks, months and years. Though she is no longer with you in the physical sense, she will be with you in your heart and your memories, and your own special guardian angel always.
