“ I know Doru for over 30 years. During this time, we became very good friends and used to share our life experiences. After Cristina's pass we used to go together to concerts. The retirement brought us even closer and we spent many hours talking on the phone politics. We are going to miss him a lot. God bless his soul. Daniela and Dumitru (Maty) Nicola

Dumitru was a work partner, mentor, and friend. He, Cristiana and I worked together for more than 25 years, and I consider myself very fortunate to have known them. My associates, family and I will all miss his unique character and wit. I am so grateful that he was a part of my life. Godspeed my friend--
